Houlihan Lokey Howard & Zukin Capital ("Houlihan Lokey"), as financial advisor to the Official Committee of Unsecured Creditors (the "Creditors' Committee"), of VeraSun (as defined below) hereby submits its application for compensation and reimbursement of expenses (the "Application") pursuant to sections 328(a), 330(a), and 1103(a) of title 11 of the United States Code (as amended, the "Bankruptcy Code") and Rules 2014 and 5002 of the Federal Rules of Bankruptcy Procedure (the "Federal Bankruptcy Rules"), and Rule 2014-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "Local Bankruptcy Rules" and, together with the Federal Bankruptcy Rules, the "Bankruptcy Rules") and the Administrative Order Under Bankruptcy Code Sections 105(a) and 331 Establishing Procedures of Interim Compensation and Reimbursement of Professionals [Docket No. 263] (the "Order"). Houlihan Lokey's Application seeks compensation for financial advisory services performed and expenses incurred during the period commencing April 1, 2009 through April 30, 2009 (the "Application Period").

By this Application, Houlihan Lokey requests approval of interim compensation in the amount of \$200,000 (80% of \$250,000 for the period of April 1, 2009 through April 30, 2009) and reimbursement of actual reasonable and necessary out-of-pocket expenses of \$1,265.16. Total compensation and expense reimbursement being requested for this Application Period is \$201,265.16, of which \$201,265.16 remains unpaid.

Pursuant to Local Bankruptcy Rule 2016-2(f), this Application is supported by the Certification of Christopher R. DiMauro, which is annexed hereto as Exhibit A. In support of this Application, Houlihan Lokey states as follows.

Background

1. On October 31, 2008 (the "Petition Date"), VeraSun Energy Corporation and twenty-four of its subsidiaries and affiliates (collectively, "VeraSun") filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b). The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. On November 14, 2008, the United States Trustee appointed the Creditors' Committee, which is currently comprised of the following four members: (i) HSBC Bank USA, National Association, as Indenture Trustee; (ii) The CIT Group/Equipment Financing, Inc.; (iii) Trotter, Incorporated; and (iv) Haas TCM Processing LLC. In addition, Aegon USA Investment Management, LLC, Whitebox Advisors, LLC, Brigade Capital Structures Fund, Ltd. and Donald Swanson, counsel for an ad hoc group of corn vendors, serve as ex-officio members of the Creditors' Committee.

3. No trustee or examiner has been appointed in any of the Debtors' chapter 11 cases.

Jurisdiction and Venue

4. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief sought herein are sections 328(a) and 1103 of the Bankruptcy Code, Bankruptcy Rules 2014 and 5002, and Local Bankruptcy Rule 2014-1.

Terms And Conditions Of Compensation Of Houlihan Lokey

5. On December 8, 2008, the Creditors' Committee filed an application for an order approving the employment and retention of Houlihan Lokey [Docket No. 375] (the "Retention Application").

6. On January 9, 2009, the Court entered its Order Pursuant to 11 U.S.C. §§ 328(a) and 1103, Fed R. Bankr. 2014 and 5012, and Local Rule 2014-1, Authorizing Retention and Employment of Houlihan Lokey Howard & Zukin Capital Inc. as Financial Advisor and Investment Banker to Official Committee of Unsecured Creditors of VeraSun Energy Corporation, Et AL., Nunc Pro Tunc to November 18, 2008 [Docket No. 482] (the "Retention Order").

7. The terms and conditions of Houlihan Lokey's engagement in these cases, which are embodied in the Retention Application and approved by the Court, are based upon Houlihan Lokey's engagement letter with the Creditors' Committee of November 18, 2008 (the "Engagement Letter"). Pursuant to the Engagement Letter, the Creditors' Committee agreed to compensate Houlihan Lokey monthly fees of \$250,000 per month, plus a deferred fee (as defined in paragraph 3 of the Engagement Letter).

8. In addition, the Engagement Letter entitled Houlihan Lokey to receive reimbursement of all actual, reasonable and necessary out-of-pocket expenses.

9. As detailed in the Retention Application, the terms of the Engagement Letter are comparable to the terms Houlihan Lokey and other financial advisors and investment bankers agreed upon in similar engagements, both in and outside of bankruptcy.

10. By this Application, Houlihan Lokey requests that this Court authorize: (a)

interim allowance of compensation for professional services Houlihan Lokey rendered during the Application Period for the Creditors' Committee in the amount of \$200,000 and (b) the reimbursement of actual and necessary expenses Houlihan Lokey incurred in connection with the rendition of such professional services for the Creditors' Committee in the amount of \$1,265.16.

Summary of Services Provided By Houlihan Lokey

11. Since November 18, 2008, Houlihan Lokey has worked diligently on the matters for which it was engaged and, as a result, has become uniquely situated to advise the Creditors' Committee. The Creditors' Committee chose Houlihan Lokey to act as its financial advisor post-petition because Houlihan Lokey has substantial expertise in financial restructuring and is well qualified to perform these services.

12. During the Application Period, although a number of professionals have worked on this engagement, the following professionals in Houlihan Lokey's Los Angeles office have performed substantial services to the Creditors' Committee in these cases:

Christopher R. DiMauro – Managing Director
Andrew R. Morrow – Senior Vice President
Nathan R. Court – Associate
Joshua Friedman – Financial Analyst

13. The vast majority of Houlihan Lokey's work on behalf of the Creditors' Committee during the Application Period involved four significant categories of work:

- a) **Evaluating the assets and liabilities of the Debtors.** Houlihan Lokey expended significant effort performing ongoing due diligence on the Debtors' portfolio of assets and corresponding liabilities, particularly in conjunction with the sale of the Debtors' assets. Houlihan Lokey reviewed secured claims at each of the Debtors' facilities, administrative claims by

estate and the implications of such claims on the sale process and creditor recoveries. In addition, Houlihan Lokey performed a lien analysis on several of the Debtors' assets and the implication for creditor recoveries.

b) **Assessing the financial issues and options concerning (i) the sale of the Debtors, either in whole or in part, and (ii) the Debtors' chapter 11 plan(s) of reorganization or liquidation or any other chapter 11 plan(s).**

On behalf of the Creditors' Committee, Houlihan Lokey monitored the closing processes of the sales of the Debtors' various assets. Houlihan Lokey engaged in regular dialogue with the Debtors to ensure an efficient and timely closing of asset sales in order to minimize additional cash burn and thereby improve creditor recoveries. Houlihan Lokey reviewed the Debtors' preliminary estimates of working capital collections and sales of remaining assets within a broader industry and market context and the potential realizable value from such collections and sales. In addition, Houlihan Lokey analyzed the financial impact on creditor recoveries of pursuing a liquidating plan of reorganization versus a conversion to a Chapter 7 liquidation.

c) **Analyzing and reviewing the financial and operating statements of the Debtors.** Throughout the Application Period, Houlihan Lokey performed ongoing reviews of the Debtors' financial and operating statements. Houlihan Lokey reviewed extensive documentation, including monthly operating and cash flow reports for the Debtors' various subsidiaries in order to track expenditures and monitor liquidity throughout the Application

Period. In addition, Houlihan Lokey reviewed the Debtors' working capital accounts in order to analyze and track cash inflows and outflows that could impact creditor recoveries.

d) **Providing specific valuation or other financial analyses as the Creditors' Committee has required in connection with the cases.**

Houlihan Lokey expended significant time and effort meeting the due diligence requirements of the Creditors' Committee. Houlihan Lokey diligenced and analyzed numerous of the Debtors' contract rejections and assumptions. Houlihan Lokey reviewed and conducted due diligence on all major contract rejection or assumptions, including the potential impact on creditor recoveries. Houlihan Lokey spent considerable time and effort analyzing potential recoveries to secured and unsecured creditors based on final winning bids at auction. Such efforts included conducting extensive analysis, conversation and diligence with the Debtors' advisors regarding claims and sources of recoveries for unsecured creditors. Houlihan Lokey reviewed the Debtors' estimates of estate wind down expenses and estimated proceeds from remaining asset sales. In conjunction with such review, Houlihan Lokey provided suggestions regarding ways to reduce wind down expenses. Finally, Houlihan Lokey conducted meetings via conference call with parties-in-interest to provide periodic situational updates and to explain auction results and the impact on potential recoveries.

14. Houlihan Lokey has also coordinated any such services performed at the

Creditors' Committee's request with services of any other advisors and counsel, as appropriate, in an effort to avoid duplication of effort.

15. Pursuant to the Retention Order, Houlihan Lokey is excused from complying with the information requirements contained in Local Bankruptcy Rule 2016-2(d); however, a summary of the time expended by Houlihan Lokey professionals during the Application Period is attached hereto as Exhibit B.

Houlihan Lokey's Application

16. The professional services and related expenses that are the subject of Houlihan Lokey's Application were rendered and incurred in connection with these cases, and in discharge of Houlihan Lokey's professional responsibilities as financial advisor for the Creditors' Committee in these chapter 11 cases. Houlihan Lokey's services have been substantial, necessary, and beneficial to the Creditors' Committee and unsecured creditors in these cases. Houlihan Lokey believes that the fees and expenses requested by this Application are reasonable and necessary given the variety and complexity of the issues involved in these cases, the need to act or respond on an expedited basis to those issues, and are contemplated by the Bankruptcy Code and this Court's Retention Order.

17. All requested expenses are in compliance with Local Bankruptcy Rule Number 2016-2. Houlihan Lokey has maintained detailed records of actual and necessary expenses incurred during the Application Period.

18. Houlihan Lokey requests allowance of monthly compensation in the amount of \$200,000 (80% of \$250,000) for financial advisory services rendered during the Application Period and seeks reimbursement of actual, reasonable and necessary out-of-pocket expenses during the same period in the amount of \$1,265.16. Fee and expense detail is outlined in Exhibit

C attached hereto. Total compensation and expense reimbursement being requested for this Application Period is \$201,265.16, of which, \$201,265.16 remains unpaid.

19. WHEREFORE, Houlihan Lokey requests that the Court authorize that an interim allowance be made to Houlihan Lokey for: (a) compensation for financial advisory services rendered to the Creditors' Committee during the Application Period in the amount of \$200,000 (80% of \$250,000) for professional services rendered; (b) reimbursement of actual, reasonable and necessary expenses of \$1,265.16; and (c) granting any such and further relief as the Court may deem proper.
